## 5. GAMES, MATCHMAKING, AND REWARDS

**5.1 Game Format.** A "Game" or "Match" refers to a skill-based chess match against another player or a bot (SolaBot). Players pay a game fee exclusively in Solana cryptocurrency (SOL) to participate. **5.2 Platform Revenues.** SolaOne collects and retains 100% of the game fees paid by players. These fees are used to operate the platform, cover costs, and fund the platform's reward program. **5.3 Participation.** By entering the queue (Matchmaking), you agree: (a) to pay the specified SOL game fee; (b) to accept the outcome of the game (Checkmate, resignation, timeout, draw) as determined by SolaOne's servers; (c) that SolaOne retains 100% of the game fee upon match completion. **5.4 Outcome and Reward System.** Unlike traditional systems, rewards on SolaOne are generated through a separate reward program funded by the platform's revenues:

- **Victory:** If you win the chess game, you receive experience points (XP) as part of our reward program.
  - **Defeat:** If you lose the game, your game fee is fully retained by the platform to cover operations, and you receive no XP.
  - **Draw:** In the event of a draw, game fees are handled according to the Platform's specific rules (generally returned to the players, minus network fees).
- 5.5 Claiming Rewards (Claim).** Through our reward program, victorious players can convert their accumulated XP into Solana (SOL) rewards via the "Claim" button. SolaOne funds these rewards entirely from the platform's treasury (Treasury Wallet), effectively redistributing a portion (e.g., 90%) of the collected game fees back to the community. These are two separate pools of money. The SOL reward is sent to the player's wallet, minus blockchain network fees.

## 6. SOLANA WALLETS AND TRANSACTIONS

**6.1 Wallet Generation.** Upon creating your account, a Solana wallet is generated and assigned to you. Although managed by the SolaOne infrastructure, you are responsible for managing your account to access it. **6.2 Irreversibility.** All transactions on the Solana blockchain, including deposits, game fee payments, and withdrawals, are irreversible. SOLAONE IS NOT RESPONSIBLE FOR LOSS OF FUNDS RESULTING FROM TRANSACTION ERRORS ON YOUR PART (e.g., sending to the wrong address during a withdrawal).

## **7. ANTI-MONEY LAUNDERING (AML)**

It is explicitly prohibited to intentionally lose a chess game to transfer funds (SOL) to another user (Win-trading/Chip-dumping). SolaOne may suspend your account and confiscate your funds if such activity is detected.

## **8. CHESS-SPECIFIC ANTI-CHEAT POLICY**

**8.1 Prohibited Behaviors.** Cheating is strictly prohibited. SolaOne considers as cheating: (a) The use of chess engines (such as Stockfish, AlphaZero, or any other artificial intelligence software) during a game; (b) Assistance from a third party (a higher-rated human player); (c) Manipulation of one's own ELO rating (intentionally losing to face weaker players); (d) Exploiting platform bugs or flaws to validate illegal moves; (e) Operating multiple SolaOne accounts. **8.2 Consequences.** Upon detecting cheating, SolaOne reserves the right to: (a) invalidate ELO and rewards; (b) permanently ban the player; (c) **confiscate all funds (SOL) present in the cheater's account.**

## **9. INDEMNIFICATION**

You agree to indemnify and hold harmless SolaOne, its affiliates, and employees from any liability regarding any claim, loss, damage, or expense (including attorneys' fees) arising from your use of the Platform, your violation of this Agreement, or the law.

## **10. DISCLAIMER OF WARRANTIES**

THE PLATFORM IS PROVIDED "AS IS". SOLAONE DOES NOT WARRANT THAT THE PLATFORM WILL BE ERROR-FREE, LATENCY-FREE, OR 100% SECURE. SOLAONE DISCLAIMS ALL LIABILITY REGARDING THE ACTIONS OF OTHER PLAYERS OR ISSUES RELATED TO THE SOLANA BLOCKCHAIN.

## **11. LIMITATION OF LIABILITY**

TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT SHALL SOLAONE BE LIABLE FOR INDIRECT, PUNITIVE, OR CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF PROFITS OR SOLANA FUNDS DUE TO SOFTWARE BUGS, NETWORK ISSUES, OR IRREVERSIBLE TRANSACTIONS. SOLAONE'S MAXIMUM LIABILITY SHALL IN NO EVENT EXCEED THE AMOUNT OF FEES YOU PAID TO THE PLATFORM OR \$100 USD, WHICHEVER IS GREATER.
